The Prince William County Student Leadership Conference (SLC) seeks to increase awareness of current and emerging leadership challenges in a variety of settings, and develop a network of students in Prince William County Public Schools with leadership potential to support collaboration among emerging leaders.

The conference attendees are students who hold nominated leadership positions in school organizations and clubs, have leadership potential, achieve average to above average grades, and are open to growth and learning. The SLC will focus on commitments of a conscious leader adapted from *The 15 Commitments of Conscious Leadership: A New Paradigm for Sustainable Success* by Jim Dethmer, Diana Chapman, and Kaley W. Klemp.

**COMMITMENTS TO LEADERSHIP**

- I commit to taking full **RESPONSIBILITY** for all my actions and I support others to take full responsibility for their choices too.
- I commit to being the source of my security, control, approval, and **ACCOUNTABILITY**.
- I commit to living in full **APPRECIATION** to both receiving and giving.
- I commit to **CURIOSITY** and seeing every interaction as an opportunity for deeper learning.
- I commit to the practice of **INTEGRITY**, including acknowledging all my true feelings, and keeping my agreements.
- I commit to creating **WIN FOR ALL** solutions for whatever issues, problems, or opportunities life has to offer.
- I commit to seeing all people and circumstances as **ALLIES**, in which all provide me with life lessons to grow.
- I commit to expressing my full **BRILLIANCE**, and to inspiring others to fully live in their zone of genius.
- I commit to maximizing my energy by honoring **REST**, renewal, and rhythm.
