

On May 23rd the Principal's Advisory Council (PAC) met for its final meeting of the 2016-2017 year. The meetings was called to order by the chairman, Mr. Dorsey. Since there was no old business to discuss, the council began with new business. Ms. Starkey, shared with the committee some information that has been collected through the student culture task force that was established earlier in the year. The task force held focus groups with students from all grades and backgrounds to explore how students feel at Battlefield and what they would like to see changed at BHS. Additionally, Ms. Starkey spoke about the student Student Activities Leadership Class which will be offered next school year. The course will be taught by Mr. Schelzo, Mr. White and Ms. Starkey. After discussing new business, the council recapped the year discussing major accomplishments such as writing and adopting council bylaws, supporting the school plan, highlighting and showcasing programs within the school, and engaging our school board member in discussion. The meeting ended with a discussion of where the council is moving next year and a request for nomination for chairman for the council for next year. The council agreed to conduct a vote online once nominations were sent to Mr. Ferrera.
