## PRINCIPAL'S ADVISORY COUNCIL (PAC) Meeting Minutes

April 19, 2022, 6:30 PM

### Board Members

Mr. Ryan Ferrera, Principal  
Ms. Wendi Gruninger, PAC Chairperson  
Mr. Mickey Orrell, PAC Vice-Chairperson  
Ms. Montrece Bell, PAC Secretary

### Discussion:

1. Flex Schedule for Next Year-input/feedback needed on current planning (Mr. Ferrera)  
Helped us to understand what a FLEX period is. FLEX is repurposed time during the school day by assisting students in the areas they need help. Student growth is the overall purpose. Giving students the opportunity to strengthen areas of weakness. FLEX is not for teaching new material, but for the sole purpose to remediate, enrich, or fine tunes skills that have already been learned.
2. Final Exams -Overview of regulation/philosophy (Mr. Ferrera)  
Information was sent out to community. This is new for students because final exams have not been in place for two years. At the end of a course, it is a good thing for students to bring all the information together and demonstrate what they have learned, be it a traditional exam, project, presentation. A schedule will be sent out to the community for all students. There are three ways to be exempt: by SOL, Discretionary Exemption, Exemption for high grade.
3. Update on end of year events-Prom, Graduation (Mr. Ferrera)  
Prom – May 7 normal prom Foxchase Manor  
Graduation – June 6 Jiffy Lube
4. Nominations for Chairperson  
Forms will be sent out to PAC for nominations for 2022-23 school year
5. Nominations for Secretary  
Forms will be sent out to PAC for nominations for 2022-23 school year
6. PAC Meeting time/location for next school year  
Proposed that we meet afterschool instead of early evening and meetings will resume in-person in the future. Many see the benefit of an earlier time. No perfect scenario. Final discussion will come after nominations and vote.
7. Selection of PAC members  
The expectation/hope is that there are at least two parents for each grade level, same for students, and faculty.
8. Open Share/Other Business  
No open new discussions were brought up.
