

Battlefield High School
Principal Advisory Committee Meeting Minutes
December 6, 2022

1. Community Comments:

- Mrs. Jennifer Roberts spoke about Equal Opportunity Schools. She would like to see increased partnerships with parents. The hope is to identify and remove barriers between teachers and parents.
- Eileen Devereaux spoke about post COVID and pandemic learning. Suggested that we seek ways to keep a balance with attention, and resources being used to help struggling students; the fear is that students who are not struggling may be overlooked therefore their progress may be impacted and could decline.

2. SACI:

- Meeting was in October Dr. McDade's focus was on the Prince William County Schools Strategic Plan (if you go to PWCS website, there is a direct link to the strategic plan).
- Participating members went through the annual SACI training.
- Allen Dunn who is over the PWCS Aquatic Center (Colgan High School), spoke to inform all that the center is available schools not just to Colgan High School Students.

3. CIP Updates:

- Organization Development
- Academic Progress many action items being put in to place to include High Dosage tutoring (Algebra II, SPED students)
- Attendance Concerns for ELL Students

4. Equal Opportunity Schools Survey Update

- Presented by Mr. McMillan (giving students the opportunity/exposure) for advance classes. Phase I is in the works (calendar was presented).
- Multi-year Process
- This is not hard work it is heart work

5. Principal Updates

- Students leaders have been drafting new school motto. Students have narrowed it down to 4 mottos. A vote is coming.
- Special Education sub-committee has been developed to explore ways to be more inclusive in all programs with the special education population.

Next meeting Tuesday January 17.
