Principal's Time

1. 2024-25 Late Work/Reassessment Guidelines –

Chairperson Atwood read her handout regarding comments from the community on the guidelines. Basically, the document states the new policy puts our students at a disadvantage now and with their college applications.

Mrs. Deveraux added her comments and concerns regarding unintended consequences.

Response from Mrs. Lucas – She spoke of having received emails regarding the policy and having spoken with students about it. Referenced the reason this came to pass. Stressed the need for authentic assessment and feedback. Explained formatives vs. summatives and their intent. Mrs. Lucas brings up the point that there may have been an overcorrection. Admin will continue to look at the policies and consider the process again.

A student spoke regarding higher achieving students' approach to learning and reassessment.

A parent commented on limited number of questions within a target.

Mrs. Lucas responded regarding number of questions on each target and the use of remediation during flex.

She will communicate with the community regarding revisiting the policy and hearing additional feedback.

Discussion of the way colleges view these open number of retakes.

Continued discussion with number of retakes.

Mention of DE as distinct in terms of policies.

2. Budget 2024-25 SY – 2013 student enrollment up from 1916 – more \$ than expected
