

How do I get to where I need to go at BHS every morning?

Students:

Please see below maps

- Not much has changed from last year.
- Stay to the far left as you drive into BHS.
- As you approach the first intersection, please note the **YIELD TO BUSES** sign. If there is a bus waiting at the intersection, please stop and allow the bus to proceed (*the bus has its own exit lane and will not block your drive to the parking lot*).
- **STUDENTS PARKING IN THE UPPER OR “SENIOR” LOT:**
 - As per the map below, follow traffic into the North Student lot and take the first right down the first row of parking spaces.
 - Follow the row all the way to the end (closest to BHS) and turn left around the end of the parking row so that you are heading back up toward the stadium.
 - At the end of the row closest to the stadium, wait for an opening and take a left toward the parking lot exit.
 - At the stop sign, take a right like you are heading back out to Graduation Dr.
 - Take the last right hand turn into the Upper/Senior Lot. (Spaces 461 - 554: See map below)
